

# Elementary School Open House Checklist

Bring this checklist to your East Bay elementary school open house to help guide your visit and ensure you ask the right questions.

- What is your student-to-teacher ratio?
- How is social-emotional learning integrated into daily activities?
- What does a typical day look like for a 1st or 2nd grader?
- How are students supported if they fall behind academically?
- How do you foster community between teachers, parents, and students?
- What extracurriculars or enrichment activities are offered?
- Can I speak with a current parent or attend a classroom observation?
- What's your approach to homework in early grades?
- How does your school handle behavioral issues?
- How do you support diverse learning styles or special needs?
